

Hazrat Mahdi, the Mecca prophecy fulfilled, and more...

According to the Islamic literature, there are specific signs to look for, specific events that confirm that the Hazrat Mahdi has appeared. The search within Islamic literature was done was also to search for answers regarding why HRH Eliyahu HaKohen of the Royal House of David was having frequent open eyed visions during the weeks prior to this April 14, 2009 date concerning his being lifted up among millions of millions of white garment clad Muslims leading them in prayer. Allah knows the truth!

For example upon the day of the published fulfillment of the nebula ¹ (*Taken by NASA's Chandra X-ray observatory from it's orbiting 360 miles above the Earth, the recently released photo of Pulsar B1509 captures the X-Ray nebula in a state shaped like a human hand*) there was a significant dispute and conflict from infidels aimed at Hazrat Mahdi:

Asma bint Umayy says: **“THE PORTENT OF THAT DAY [THE COMING OF HAZRAT MAHDI (AS)] IS A HAND EXTENDING FROM THE SKY AND PEOPLE TURNING TO LOOK AT IT.”**²

“... AT THAT TIME [OF THE APPEARANCE OF HAZRAT MAHDI (AS)] A HAND WILL BE SEEN REVEALING ITSELF FROM THE SKY...”³

“Conflict and disputes will persist until A HAND APPEARS FROM THE SKY and a voice cries "The Mahdi is your amir." THE SIGN OF THAT DAY: A HAND WILL EXTEND FROM THE SKY and people will look at and see it.”⁴

Fulfillment: The “hand of God” nebula and star clusters were first seen in the heavens, photographed and confirmed by NASA and widely published on April 14, 2009. The nebula has a cluster of red stars in the outstretched right hand within the style of a hand harvesting a cluster of red grapes. This sign confirms the ancient writings of the sages that the hand of the vinedresser that reaches up with a ceremonially clean right hand to the grapes fully ripe is harvesting the truth of the words of the prophet Moses! date of April 14, 2009 a major episode of persecution from infidels against Imam Mahdi occurred. This persecution commenced for HRH Crown Prince Eliyahu due to his in-depth research discovery regarding his foretold role within the Islamic literature . The deputy-sheriff challenged the facts and there was a fulfillment of the foretold conflict and disputes.

Prophecy: “Imam Mahdi will appear in Mecca. He would protect the Muslims from destruction and would restore the religion to its original position.”⁵

Fulfillment: The appearance sign at Mecca Almakarama is fulfilled as the words actually mean not just as a tradition of location: The coming Hazrat Mahdi is to appear at مكة مدينة المكرمه *medina mecca almakarama* yet this phrase was written more than 1400 years ago. The dictionary declares a significant overlooked matter. The phrase has profound meaning “a civilized human’s⁶ drinking cup⁷ of a miracle, a vineyard of royal nobility”⁸ These words are describing the evidence of the Holy Grail which has the Hebrew style vineyard, the sign of royalty, the Passover cup of the patriarchs, the Paleo -Hebrew writing which indicates the highest level of human civilization. That all of the prophets (PBUH) agree, Imam Mahdi the noble righteous messenger is to come forth in the prophet’s Mecca Almakarama مكة المكرمه declaring the royal nobility of civilization’s Holy Grail. The Holy Grail is also called the “Magnetic Stone-Vessel of (the patriarch) Abraham” with the purpose of bringing all of the sons of Abraham back to the House of Worship to partake of the pure drinking cup of pure grape juice and of the covenant bread meal.

Prophecy: Imam Jaffari Sadiq (as) said: “**THE PEOPLE WILL GO HUNGRY FOR A YEAR BEFORE THE COMING OF THE QAIM, AND A FEAR OF BEING SLAIN WILL ENFOLD THEM;** they will suffer losses of goods, lives and assets. Allah writes this clearly in His book. He then added this verse: We will test you with a certain amount of fear and hunger and loss of wealth and life and fruits. But give good news to the steadfast.”⁹

Fulfillment: The worldwide Economic Crash of the Fall season of 2008 through November 30, 2009 has put the domino effect that has still not stopped! The entire world is suffering the most critical economic crash since 1929 -1931! The slaughter of the economy has left many people vulnerable and on the streets as angry people take to acts of violence. This is within the 1430AH prophecy! Giving the good news to the steadfast, this document was written as a breaking news report.

The witness of the servant of Almighty GOD with the Holy Grail satisfies the entire profile of Imam Mahdi as the royal messenger Hazrat Mahdi Eliyahu HaKohen. The
