IN THE NAME OF GOD, THE COMPASSIONATE, THE MERCIFUL

And praise be to GOD ^{الله}/_{מֶלֶךְ} of Abraham, the LORD of all the worlds, and prayers and salutations on our master Moses, and the righteous and sincere members of his Household,

Your majesties, your excellencies, your highnesses, kings, presidents and emirs of Muslim states,

Greetings and Salutations to each of you!

Peace be upon you, GOD's mercy and His blessings,

RE: the Sign of his Kingship that comes to you as recorded in the Holy Quran 2:248

The Responsibilities of the Kings of Kingdoms according to the prophet Moses are simple if carried out and the blessings for their nation would be the highest favor in good health, good crops, good family and interpersonal relations with their neighbors. When there are not good relations, poor health and wars ongoing, the prophet Moses stipulated in the WORD of GOD, his original Torah, what to start doing when experiencing these tragedies.

The prophet Moses wrote for those that would sit upon the throne of the Kingdom : *“And it (the copy of the law) shall be with him, and he shall read therein all the days of his life: that he may learn to fear the LORD his Almighty GOD Allah to keep all the words of this law and these statutes, to do them.”*¹ The responsibilities of each of the leaders of the royal families are clear. That the leaders would not fall into presumptuous sins, the leaders are first approached for a Heaven directed and commanded change for their nation.

The person HRH Hazrat Mahdi Eliyahu HaKohen Ben-Hayil Yellen, as a descendant of the prophet and King David (PBUH) and of the prophet Elijah (PBUH) through the prophet Mohammad's (PBUH) family, has taken these words seriously to seek his education in preparation for his life calling. The timeline of recognition of the *Hazrat Mahdi*, the long awaited *Imam Mahdi* of *Bani Israel* EXPIRES in just over 40 days and the FedEx mailed official letters of royal appeal sent to the Kingdoms of Britain, Jordan, Saudi Arabia, Abu Dhabi and Dubai have been 1. Ignored, 2. Flatly rejected by the Saudi

¹ Deuteronomy *Devarim* 17:19

Embassy in USA to return the unopened official royal documents, 3. Refused, and 4. Unknown. Overlooking these rude reactions, this appeal is made with the desire to alert the royal families of the serious infiltration of your royal courts by foolish servants to not deliver official Hazrat Mahdi's royal appeals.

All this laxness creating an emergency while the corrupt infidel ecclesia of Rome fully knowing the prophecies of Mohammad (PBUH) are preparing world chaos for establishing their evil one-eyed powers. The direct assaults of the infidels of Edom-Rome upon *Hazrat Mahdi* have tragically not been stopped by the civil courts of the USA. This is an appeal to the royal families to assist HRH Hazrat Mahdi Eliyahu HaKohen Ben-Hayil Yellen by commencing immediate recognition of the painful dispute regarding the priestly royal family of our prophet Issa AlMassih (PBUH).

HRH Hazrat Mahdi Eliyahu HaKohen Ben-Hayil Yellen descends from the brother Jacob (James) brother of Issa AlMassih (PBUH). The coronation celebration of the heir of the Kingdom of Jerusalem with the *Tabut* (relic) of Moses and Aaron is a sign for those that believe.² This obedience to the Holy Quran requires the entire Islamic royal family endorsements. This coronation celebration is scheduled for a Friday on December 18, 2009 to satisfy the prophecies of the Judaic sages that Elijah comes forth on a Friday and to satisfy the prophecy of Mohammad (PBUH) that the Imam Mahdi comes forth in the third decade from 1400AH. The *التابوت* 'Tabut' of the prophet Moses and Aaron means in the ancient Hebrew the "seal of the signet ring,³ the identification of an object long lost"⁴ it is the sign of the most sought after item of the entire world's history, the legendary Holy Grail. The special identification of this most sought after Holy object is fully documented especially with the signature of the prophet Moses (PBUH). The Holy Grail is fully substantiated with all of the prophets confirming the evidence especially in the original textual documents. The royal families of Arabia's confirmation of the Heavenly commanded coronation of Hazrat Mahdi Eliyahu HaKohen Ben-Hayil Yellen must be with highest security and a world announcement and a VIP guest list. The Kingdom of Jerusalem is the ancient lands of King Solomon which includes the entire land of Americas.

Why has Hazrat Mahdi been foretold being within a battle with by the evil One Eyed and the infidels of Rome and all of the appeals ignored? Could it be that evil Edom-Rome has tainted some of the warnings and signs of ALL of the prophets tricking the sons of Abraham to drink and indulge themselves so that these children of Abraham are asleep not aware of their immediate danger? Why have the leaders of the Islamic nations not ordered that the study of the laws of Moses be put into a formal study for themselves and for their nation? What happened to advanced learning? What are the ancient patterns noted by Historians regarding the foreign policies of the Middle East and Europe? When the Edomite-Roman Scholar translators began to fully control the masses, there was zero true Hebrew scholarship tolerated. Murders or harsh demotions of all of the scientists and scholars were the norm during the Roman Empire dark ages and modernly during Marxist communism takeovers.

Clearly, a wise person should begin to study for himself instead of being a puppet of the translators that still tragically control the masses. The problem is who translates accurately? Who has the gift of understanding the gift of prophecy? The good news of the arrival of the foretold Imam Mahdi is that his role has already been clearly defined to explain all of the prophets and teach those truths. The tragedy of the Hazrat Mahdi is the wars with the infidels are increasing while the leaders of nations continue to ignore his direct appeals for immediate assistance in security, in carrying out the mission of Allah and bringing Heaven sent *Salaam* (peace).

The textual problems within the modern translations have been identified by Imam Mahdi having a pattern of historical Roman Catholic Edomite-style tampering. Knowing and understanding the pattern of the original intent of the Prophets messages allows for immediate recognition of truths. An example of textual tampering is the cover up of the story of the Crucifixion to insert the yearly Roman ritual of the pagan theatre. The mythology of the Graeco-Romans had been firmly established by the Roman Empire by featuring the Passion theatre throughout Europe and into Africa. The historical documentation of these elements now require repair. This is a direct appeal for mercy in scholarship, an appeal for wise individuals to consider this element of controversy. It is widely stated: “The merciful are shown mercy by the All Merciful. Show mercy to those on earth, and He who is in Heaven will show mercy unto you.”

Scholarly examination of the original text of the Quran is highly resisted among the Muslim community as the Quran translators have been given immunity to any possibility of having distorted the sacred message in a similar pattern of the Edomite scribes that produced the ecumenical Bible in 325CE. The vain scribes of the exposed Roman pharmaceutical drug cartel with its animal cruelty industry and our world wide crisis of swine flu could be put out of business immediately with full attention paid to the long awaited *Hazrat Mahdi explaining the health instructions of the prophet Moses (PBUH)*.

The prophet Jeremiah wrote: “The pen of the scribes is in vain.”⁵ The warnings of the Messiah: “Making the WORD of GOD אלהים/الله of none effect through your tradition, which you have delivered...”⁷ Who was this warning directed? According to historians, the Roman scholars had infiltrated the religion making laws to reject the commandments of Almighty GOD الله to replace it with their pagan-tainted Edom traditions.⁸ In the history of conquest of nations, the Edomite scholars upon their training the future leaders of any location thus ensured the loyalty of their powers. Sadly, the English versions of the Quran, the pattern of Roman Catholic wording is highly suspect of a formal Roman Empire influence in the conveying of the message.

Yet, scribal renderings that were NOT the intent of the original prophetic message has indeed been a serious problem for over 3,000 years. All of the prophets of Almighty GOD الله exhort this principle. The prophet Isaiah wrote: “The word of the LORD الله was

⁵ Jeremiah 8:8

⁶ Peshitta spelling of Almighty GOD pronounced Allah الله.

⁷ Mark 7:13

⁸ Mark 7:9

unto them rule upon rule, rule upon rule; line upon line, line upon line; here a little and there a little; that they might go, and overthrow and solve and interpret and hereafter (note) a snare (false message) and catch it.”⁹ The psalmist and Prophet King David wrote: “Thy word is a lamp unto my feet, and a light unto my path.”¹⁰ The command of the Messiah: “Search the Scriptures!”¹¹ The warning of Isaiah: To the law and to the testimony, if they speak not according to this word, it is because there is no light in them.”¹² The mark of nobility was conferred upon those that would search the scriptures daily¹³ and would make sure that the preaching was in line with all of the words of the prophets.

The history of Islam’s exterminating eschatology is in sharp contrast to the above quote. The scholars’ rendering of a translation is through the investigation skills of the scholar that has been well read of ALL OF THE PROPHETS.

As Edom-Rome has previously demonstrated its evil altering, the prophets must all agree. These authors confirm that the New Testament record has been tainted by scribal intent to distort the message. However, the following evidence will demonstrate the clear understanding of the prophet Mohammad (PBUH) regarding the message that he intended to write fully was supported by all of the prophets of the Sacred Scriptures.

A phrase that is part of Islamic vitriolic preaching against Christianity is through what someone translated were the sayings of the prophet such as: “Break the cross” and “Kill the infidel” and “The Jews did not kill him, it was only made to appear that way.”

The highly emotional rendering of a translation of the Holy Quran 4:157 does not convey the original message as revealed by the prophet Hazrat Mahdi. To repair the incorrect usage, the Holy Grail evidence will solidify what happened and what did not happen.

The Arabic word ابن ‘Ibn’ according to the credible and recognized scholars means to celebrate a funeral oration!¹⁴ The aleph-bet-nuun or ‘Ibn’ in Hebrew-Aramaic refers to the אבן ‘Abn’ or more famously known, the Holy Grail! The legends have preserved the Holy Grail memory of the celebration of victory of The Messiah (PBUH). To repair the original Arabic intent of the Holy Quran, this study is presented in *Salaam* (peace):

The Arabic word لكن ‘*lakin*’ today in modern Arabic is used widely for ‘but’ however, anciently it was used for referring to “speaking incorrectly, incorrect usage and as well, a copper basin. The Sages have written Sacred writings in such a way that the puzzle is tight, no loose ends. Each way one looks, the confirmations are there. In Aramaic, the language of the New Testament, the word ‘*lakin*’ לקן is used confirming a copper vessel.¹⁵ The Holy Grail is occasionally referred to as the copper vessel due to its

magnetic field having iron ore and copper ore within its cemented structure. A similar spelling לֶכֶן 'lakin' confirms a base of a vessel.¹⁶ The foundation of this Holy Grail, the ancient and most legendary Abraham's magnetic stone vessel has the sliver moon confirming all of the prophets with the sign of the schedule of the months.

The Arabic word صليبه 'salb' refers to an intense drama taken from a real life¹⁷ referring to the Messiah. The ما 'ma' prior to this word indicates according to the scholars "for what reason."¹⁸ The combination of this phrase "For what reason is this intense drama taken from a real life (of the Messiah Issa, Emissary of Allah)." The Arabic word 'salb' now has come to convey a Roman Catholic meaning of crucifixion. The prophet Moses (PBUH) had much to say about the cedar-wood sticks that would be formed in the shape of an X and inserted into the Holy Grail, the "magnetic-stone of Abraham" for the ceremony of healing at the East gate of the wilderness sanctuary (Bet HaMikdash). The Paleo-Hebrew letter 'Tav' is shaped as a 'cross' yet in this ceremony means the crushing of the evil satanic serpent! When this ancient letter of crossed cedar wood sticks was inserted into the vessel, it created the Paleo-Hebrew letter 'Tet' establishing the all protective and surrounding Kingdom of Almighty GOD الله. The crossed sticks of the X 'Tav' was a signal and monument of the prophet Moses that the pagans tainted with their myth and yearly Passion theatre. The cross † widely used by Christianity today has been tainted with Roman Catholic traditions. To "Break the cross" in Hebrew understanding is to 'break the code' of Moses. The incorrect usage of the symbol of the cross † is the incorrect speaking that the prophet Mohammad (PBUH) was referring to. The mastering and knowing a topic of the prophet Moses (PBUH) concerning the crushing of the evil serpent, the stoning of Satan according to the prophet Moses (PBUH) required the 49 strikes white bowl-shaped cemented stone-vessel that the Kingdom of Saudi Arabia has preserved in a large monument for its ceremony rehearsing the stoning of evil Satan. The original of the prophet Moses (PBUH) and Aaron (PBUH) Holy Grail ceremony yearly on Yom Kippur rehearses the stoning of evil Satan, the serpent of Eden. The circumvention in a round about way, Roman Catholic Pontiff an Edomite, the original reigning Grand Crusades Inquisitor of this last century is Jesuit Black Pope Benedict XVI and is the man of the condemned iron leg of chains, the idolatrous symbol of Daniel!

Exposing the long held Roman Catholic sun-deities requires the reference of the prophet Ezekiel: "...they have filled the land with violence...and lo, they put the branch to their nose."³² The prophet Isaiah exposes this branch as a Edom-Roman iron cross, the staff of idolatry: "The blacksmith with the tongs fashions it... the carpenter stretches out his rule... his compass...the figure of a man..."³³ These ancient descriptions of the crucifixion rites of pagan Babylon of the yearly Passion theatre are witness to this idolatry.

The ancient condemned *Herodian* "The Rebel" Temple at the time of Issa AlMasih (PBUH) was fully run by the Roman-Edomite drug cartel, the animal cruelty organizations, and was a very corrupt banking organization called "Cathol." The Messiah's healing ministry had damaged the money earnings of the Edomite Roman organizations. This same ancient Graeco-Roman organization is today's modern Roman Catholic. The ancient Judaic sages warned about this organization, for the Hebrew - Aramaic word קטליך pronounced 'Catholic' means "Massacres you!"³⁴ And "Iron metal chains you!"³⁵ What happened? For what reason was that solid cross drama? The multitude of visions, dreams and physical confirmations of Muslims, Christians and Judaic people world-wide are real that Issa AlMasih appears to them with pierced hands and feet. At the age of 7 years I received my first open eyed Heavenly vision where I viewed the pagan Romans indeed nailing and piercing the hands and feet of Issa AlMasih (PBUH). The living royal King fully alive(!) and arrived in the realm of Angelic majesty to put His right hand on my (Hazrat Mahdi's) right shoulder on April 18, 2005 hours before the current Roman system placed Cardinal Ratzinger upon the seat of Satan coronation as the Vicar of Christ on April 19, 2005." A sharp contrast of religious systems, the ugly graven image that is profitable for nothing is what Rome parades around daily to mock the world of their obstinacies while they continue to disobey the laws of Almighty GOD الله. The sons of Abraham must refuse the temptations of Edom - Rome and her alcohol, her cigarettes, her unclean flesh, her drugs, her war weapons, her banking system. "As Hebrew sons of the family of Abraham, a Jerusalem currency

backed by the gold of the treasures of ancient King Solomon shall be established without delay.”

The conclusion of this message is that the prophets ALL exhorted people to study the original documents, to know each segment and compare any preaching by its message. The Holy Quran in the original language is a blessing of Almighty GOD ﷻ that properly warned of the Edom-Rome drug cartel, the corrupt banking system and its false translations agenda. As the Holy Quran states: “*Oh LORD, deliver me, for they accuse me of lies.*”³⁶ The deliverance intent of the Arabic انصر ‘aNasra’ is the root of the Arabic word النصرى ‘AnNasra’ used widely for translating as “Christian” yet implies in the Arabic dictionary as Nazarene, victorious, a guard, a protector.³⁷ The New Testament *Peshitta Text* spells this Nazarene Issa AlMasih (PBUH) not from a town but as a ‘Netzar’ which translates as an alcohol free righteous person who “guards and protects through abstinence of alcohol, guarding their tongues from evil, and importantly, keeping the laws of Almighty GOD in their heart.”³⁸ This word ‘Netzar’ or ‘Nasar’ according to the sages is also used to “confirm the legitimate Persian Dynasty of Jesus of Nazareth”³⁹ This is not a finger pointing at an innocent person of Roman Catholic faith whose family was forced into conversion by armed Roman Inquisitors over the centuries. The Roman Catholic system of the Vatican has corrupted the memory of Issa AlMasih (PBUH) and corrupted the multitudes by endorsing alcohol in their religious ceremonies. Is the leader, Pope Benedict XVI ignorant of the alterations and the darkness of his powers? NO. The false prophet is Pope Benedict XVI, which the prophets declare: “...in darkness that teaches lies, he is the tail. A leader Benedict XVI causing the people to err. An evil doer Benedict XVI speaking folly.” The dark weave of his past has a serpent-like trait that has not yet met justice in civil courts however will be soon fully judged by the Heavenly courts.

The habitation of devils is at the Vatican according to the record of Revelation within the original New Testament. The largest collection of every generation and every nation’s idolatry is collected there at that organization. The kings of the earth have bowed down at her gatherings directly in disobedience to the laws of Almighty GOD ﷻ. The president of a powerful nation bowed fully to the Roman Pope on July 10-11, 2009 after largely gifting the entire stimulus packages of Federal Reserve Notes to the Roman American organizations. The ONE HOUR with the beast has been fulfilled. The blasphemy of the Vatican Pontiff to call himself god with his opulent living and alcohol laden religion must not continue. The wreck that the current president of a powerful nation has done was by his following the Deception of the One Eyed System. He identifies himself as a ‘Christian’ in public speeches, he drinks, smokes, and practices indulgences that are disgraceful. The president, he is not eligible to remain president as he is a British subject to carry out the Obama Deception of the One Eyed System. The president is a fraud, flagrantly violating the laws of the prophet Moses (PBUH) and of the prophet Issa AlMasih (PBUH).

Barak Hussein Obama has disgraced and crumbled to ruin America by bowing to the unHoly Roman Empire. The party in power is Democratic and has determinedly pursued a born and bred Kenyan (Public Birth Certificate nation of Kenya certified). He has practiced deception and is not to be trusted in the leadership. The Constitution of the American Fathers forbade a foreigner such as Barak Hussein Obama who has knowingly and willingly committed fraud and signed a pact with the unHoly Roman Empire to destroy the United States and the entire world's economy with the Roman Federal Reserve notes.

The destruction of the economy is to destroy the American dream based upon the writings of the prophet Moses who wrote that the form of the Hebrew Economy is by hard work (capitalism), paying one's tithe to Almighty GOD ﷻ and doing humanitarian work. The American constitution and society could have a ray of hope as envisaged by George Washington and the American Fathers to get on their knees fully prostrate to pray again for the intervention of Almighty GOD ﷻ in the disaster that has come upon the United States. The verdict of Almighty GOD ﷻ is that Barak Hussein Obama is guilty of treason and the laws pertaining to his disobedience to the laws of Almighty GOD ﷻ must be carried out immediately.

Elijah Imam Mahdi's LOUD CRY:

“The zeal of the LORD of Hosts will perform this justice for the guilt of the fraudulent president is a heavy curse. Therefore the shadow of death in demon -worshipping spiritualist Barak Hussein Obama observing witchcraft omens and abominable oaths, young Obama, the Creator has seen your tail of lies. Hypocrite of the increase to the Roman pope, Almighty GOD ﷻ anger with battle, the Prince of Peace is NOT before you.”

“People of the entire world, get on your knees in prayer to avoid destruction by the unholy Roman Empire's Federal Reserve bankers, the abominable-swine and calf worship pharmaceutical drug cartel, the one eyed evil! The throne of David gives Holy judgment: Evil doers speaking and doing folly will be cut off and destroyed.”

The Holy Grail, the vessel of Moses and Aaron has all of the identifying signs of every major scholar over many centuries. The Holy Grail confirms all of the prophets. The sign of the Kingship of the Hazrat Mahdi is that he is the final royal messenger Elijah. It is time for this Holy Grail, the white stone -vessel of Issa AlMasih (PBUH) kingship be reestablishing the Kingdom of Jerusalem القدس with the ancient Kingdom territories without delay. Possessing the talented trait to unravel the mysteries of the ancient scrolls of the Torah for translation and implementation of Project Moses is the Kingdom duty. The Christian, Judaic and Islamic communities might be suddenly jolted awake by the message but the Islamic communities are to be the first with Heaven's blessing to loudly proclaim that the prophet Elijah has come with the hidden white stone vessel of manna, the Holy Grail. That this message be as foretold by the prophet Mohammad (PBUH) “full of peace, supported by the Angel messengers of Heaven for those that really believe.”

That all would be closer to the glory of Almighty GOD to restore worship on the knees as the ancient prophets prayed, restoring the House of worship in the Kingdom of Jerusalem is with the format of the ancient prophets' prayers and praise. For thus saith the LORD, the Creator of the Universe through the pen of the prophet Malachi : "Behold I will send you Elijah the prophet before the coming of the great and dreadful day of the *conqueror-crusaders idolatrous fire-worship servitude of enforcing apostate laws of Sunday observance.*"⁴⁰ Yes indeed, persecuted for rightly representing the truth about Almighty GOD ﷻ, our Creator who has specifically chosen me as His prophet to the entire world as Elijah the prophet. Get on your knees and pray to your Creator ﷻ for no further persecuting of innocent Jews of "a confused state of secular Israel." Develop a sit up and pay attention attitude to carry out the instructions of My prophets. Almighty GOD has not rejected My Judaic people who have faithfully observed My laws and My Shabbats. The confused Edomite-Roman Catholic system has created conflict and renamed My Jewish people. Edom according to My prophet Moses (PBUH) and My prophet Daniel (PBUH) has "idolatrous toes to be stepped on." For thus saith the LORD GOD ﷻ, our Creator: **"The Judgment HOUR of the living has begun."**

The word of prophecy received 11 PM PST. 11/2/09

Praise be to our Creator ﷻ that the ancient prophetic "Heaven sent command of the Arab community offering full hospitality to His servant Elijah is fully obeyed." The specific health commands: Stop drinking coffee and tea as the caffeine in this drink robs you of important nutrients leaving the body vulnerable to this bio-terrorist flu of Edom-Rome. Caffeine's damage leaves the electrical system of the human body darkened for 7 days. The prophet Moses wrote warnings to "avoid strong drinks of which coffee, tea, chocolate, alcohol and soda pop are described." The bio-terrorist flu can be avoided by drinking plenty of water as a moist respiratory tract repels viral infections. Quit eating refined sugar as this is a drug that paralyzes the immune system up to 10 hours! Artificial sugars are drugs and are "lethal combinations with this bio-terrorist flu." Absolutely no drinking of alcohol as this like sugar weakens the immune system. The risks of smoking are well known however, adding exposure to the dangerous bio-terrorist flu makes "a lethal combination." "Do get plenty of good rest and be prayerful to counteract the damages of Edom-Rome's drug cartel."
