

The Prophecy given to the Miracle Boy: There is a sign and a secret in this

The patriarch of the family came to the Medical Center after the alert that his famous media personality daughter had given a very early birth, three months early. As he looked through the windows as the medical professionals worked frantically to save the critical ‘micro-preemie’ neonate, he received peaceful assurance during his earnest prayers. After all, a very early birth, the future was not for any quality of life for this infant. The grandfather made his vows in prayer dedicating this infant to the service of Almighty GOD as this special child was also the long awaited heir to the Dynasty of King David.

As he looked at the extremely fragile infant the size of an adult hand, he heard from Heaven the name given: “Tilín.” The word of prophecy given was “Tilín” which means in Aramaic תְּלִין “Praises and songs to the Creator” as “Tilín” is an expression for the Psalms of King David. The similar sound of Arabic words “Tilín” are successor to follow another¹ and fine rain.² As this miracle boy was the successor of the Dynasty of King David (PBUH) and the boy that would lead the people in the fine rain³ instructions of the great prophet Moses (PBUH) the name chosen was most fitting to describe the future role of this special infant dubbed the “Miracle Boy.” In Spanish, the meaning of Tilín is ‘ringing of bells’ and chosen for the bells of the High Priest (Cohen Gadol) that wore the pomegranate bells.⁴ Another Spanish meaning of Tilín is small hummingbird, which fittingly described the 460 grams, 24 weeks micro-preemie. The composer, Rafael Hernandez, a friend to the mother of this Miracle Boy wrote and dedicated a song that he composed for the small infant using the Tilín name. This song would become soon after the most famous lullaby in (the Spanish language) history named “Campanitas de Cristal.”

The family members have lovingly called HRH Eliyahu as a surname, “Tilín” meaning “praise” all of his life. His entire life has been one marked of pure devotion to worship of

³ “**My doctrine shall drop as the rain**, my speech shall distil as the dew, as the small rain upon the tender herb, and as the showers upon the grass: Because I will publish the name of the LORD: ascribe ye greatness unto our God.” Deuteronomy *Devarim* 32:2-3

⁴ “And they made bells of pure gold, and put the bells between the pomegranates upon the hem of the robe, round about between the pomegranates; A bell and a pomegranate, a bell and a pomegranate, round about the hem of the robe to minister in; as the LORD commanded Moses.” Exodus *Shemot* 39:25 -26

the Creator and to learn of all of the prophets. The “Miracle Boy’s” songs of worship to the Creator while dressed in the Cohen Gadol garments of a High Priest with the Holy Grail, the vessel of Moses (PBUH) and Aaron (PBUH) are a compatible fulfillment of several prophecies written a significant time ago. In addition to the “Signs of the Heavens Hand of GOD” photographed for the first time in history in April 2009, the following testimony is quoted in translation from recognized Islamic scholar Harun Yahya or Adnan Oktar: “The prophet Mohammad (PBUH) gave a prophecy of the coming Hazrat Mahdi that this coming royal messenger, a prince would have his name ‘Praise’ and be of his family House.”

The term “Quraish” in Hebrew-Aramaic meaning חרש (Choresh) Scholar,⁵ a Levite⁶ another meaning, of a healing broth given by the Levite physicians⁷ and the custodian holder of the sacred Holy Grail is also called the Quraish or Choresh חרש and finally the word Choresh חרש means the actual Holy Grail stone-vessel pottery.⁸ The prophet Elijah (PBUH) according to ancient texts migrated from ancient Israel into the tribes of Arabia. The prophet Elijah (PBUH) was also during this period of history the custodian of the stone-vessel of the Exodus or Holy Grail. The Judaic historians record that a specific ‘stone house’ was the ancient location of the Holy Grail or stone vessel of the Exodus.

The vessel of purification within the hands of the priest that holds the sacred Holy Grail pottery or Quraish of Bani Israel fulfills many of the compatible family descriptions of this ancient prophecy. According to the scholar Adnan Oktar, “the Arabic saying or “hadith” emphasize that these names will be “compatible with one another.” In other words, one must not expect Hazrat Mahdi (as) to be directly called “Ahmad or Muhammad,” nor his father to go by the name of “Abdullah.” (Allah knows the truth).”

According to ancient sayings of Hadith, these testimonies were written for the final generation to understand. Abu Dawud and Tirmidhi’s accounts from Ibn Masud, Rasulullah (saas) said: **“His name will be compatible with mine, and his father’s name with my father’s name...”**⁹ “Even if only one day is left to the life of this world, Allah will certainly prolong that day until the coming of a man [Hazrat Mahdi (as)] from the Ahl al-Bayt whose name is compatible with mine.”¹⁰

According to Abdullah Ibn Umar’s (ra) account; Rasulullah (saas) said: “The world will not come to an end until a man from **my Ahl al-Bayt [Hazrat Mahdi (as)] whose name is compatible with mine imposes his rule over all the Arabs.**”

According to another account, he said: “Even if only one day remains from the life of this world, Allah will certainly prolong that day until He sends a man from **my Ahl al-Bayt [Hazrat Mahdi (as)] whose name is compatible with mine**. He will fill the world that was previously filled with cruelty and oppression with truth and justice instead.”¹¹

Again, according to Abdullah Ibn Umar (ra) he said: “The world will not come to an end until a man from **my Ahl al-Bayt whose name is compatible with mine establishes dominion (on earth)**. He will fill the world that was previously filled with cruelty and oppression, with truth and justice instead.”¹²

In addition to the details above, a most significant discovery of a Nebula photographed and named by NASA as the “Hand of GOD” then the photos were released worldwide in April 2009. The astronomers had never before seen nor photographed this particular Nebula. For the faithful and prayerful people of Almighty GOD, the sign of “A hand extending from the sky” indicates a heaven sent confirmation! The ancient Hadith prophecies state very specific details:

Prophecy: Asma bint Umays says: “**THE PORTENT OF THAT DAY [THE COMING OF HAZRAT MAHDI (AS)] IS A HAND EXTENDING FROM THE SKY AND PEOPLE TURNING TO LOOK AT IT.**”¹³

“... AT THAT TIME [OF THE APPEARANCE OF HAZRAT MAHDI (AS)] A HAND WILL BE SEEN REVEALING ITSELF FROM THE SKY...”¹⁴

“Conflict and disputes will persist until **A HAND APPEARS FROM THE SKY** and a voice cries ***“The Mahdi is your amir [Prince].”*** **THE SIGN OF THAT DAY: A HAND WILL EXTEND FROM THE SKY** and people will look at and see it.”¹⁵

Fulfillment: The **“hand of God”** nebula and star clusters were first seen in the heavens, photographed and confirmed by NASA and widely published on April 14, 2009. The nebula has a cluster of red stars in the outstretched right hand within the style of a clean right hand harvesting a cluster of red grapes. This sign confirms the ancient writings of the sages that the hand of the vinedresser that reaches up with a ceremonially clean right hand to the grapes fully ripe is not to be overlooked. The sign of the coming Mahdi is for the harvesting the pure unadulterated truth of the words of the prophet Moses! On the date of November 26, 2008 through April 14, 2009 a series of significant persecutions including a major episode of persecution on the actual date of April 14, 2009 directly

from infidels against Imam Mahdi and his family occurred. Several of the infidels scoffed and mocked the Prince Eliyahu for his sincere testimony posted on the internet.

The royal family has escaped from the cruel and oppressive hands of the Roman crusaders and the Roman inquisitors by the protective hand of Divine Providence. With truth that our Creator GOD ﷻ knows, this testimony is from the servant of Almighty GOD ﷻ, HRH Eliyahu HaKohen. The long held secrets of the prophets are now revealed in the fulfillment of Hazrat Mahdi. The long awaited Hazrat Mahdi extends his hands raised high to sing prayers fully on his knees to the Creator with humble knowledge that he is the chosen messenger fulfilling the sign of the "Praised One."

It is also written within the "Elijah and Messiah Texts" writings of the ancient Judaic sages of a connection of this coming royal individual with the sign of Arab kingship. The awaited Eliyahu with the support of the Arab community will confront the modern nation of Israel concerning their perversion of the estate of the patriarch Abraham in agreements with the Roman pagan government. The prophecy states that the "oil rich leaders will have their linen prayer shawl garments around them to raise value of the round vessel Holy Grail that properly proclaims the New Moon days as the silver harvest sickle moon. It is to be remembered that the foretold religious zeal of the Eliyahu messenger as written by the prophet Malachi, is to cry out "Remember the commands, the statutes, the judgments and to come back to the original writings of Prophet Moses! (PBUH)." The evidence to the Ishmaelite in current translations of this particular ancient text prophecy is "Perhaps you seek a sign of Moses (PBUH)." The subsequent response of the prophecy is given "YES!" and then the evidence is shown: "The Seven miracles of the vessel of the Holy Grail, the scepter of the prophet Moses (PBUH)."

The full translation of the entire document of the Elijah and Messiah text "Seven Miracle Signs" matches strikingly similarly to the ancient Aramaic *Peshitta* Text in the book Galina 14:14-20. Why would the final generations gentle royal leader of the Hebrew congregation flock, the Hazrat Imam Mahdi come before misguided professed Muslims that are displaying hate with their swords drawn, bows stretched, guns loaded with some of these Muslims denouncing him, describing how they will be seeking to kill him? (Factual evidence retained) The Sacred Scriptures declare: "Gather together My pious ones for Me."¹⁶ This is the sign of the Covenant, to truly express the declaration of the prophet Moses (PBUH) to love all humanity as self. This covenant sign is also for the creatures of the Creator, to preserve their lives and to invite them to return to the One True GOD in worship.

The mantle of the prophet Elijah, a highly significant red mantle with the Holy Grail was received by Hazrat Mahdi with the Divine Command to "**Gather the family of the patriarch Abraham (PBUH) together**" and to "**expose the lies of the infidels of Rome.**" The spoil of the Scriptures by the hand of these infidels of Rome are to be properly re-translated and the truths of the prophets proclaimed to the entire world. The prophets have given the signs, will the people of the final generation be on the side of Edom -Rome with their historical murderous traits and drug cartel drunkenness; or, Will the people be

on the side of the Covenant of Peace with education, with humanitarian efforts to rebuild and be seen reading the prophets? The Imam Mahdi comes prepared to commence the ultimate peace project; will the royal messenger be received as a crowned Hazrat Mahdi, the royal rightly guided messenger King appointed by Issa AlMasih (PBUH) on April 18, 2005? Time is steadily yet coming to the final moments of the 1430AH prophecy. The invitation is fully extended to 'The Pious ones' to act in joining Hazrat Mahdi in the Heaven directed humanitarian efforts. The invitation is once again extended to the royal families of Arabia to acknowledge the prophets and commence invitations for a formal royal gathering to discuss the formal peace treaties of Hazrat Mahdi "the tiny miracle Tilin of praise" and commence to implement the "Healing of the Nations."
