

## The Urim and the Thummim of the Holy Grail

The legends of the Holy Grail mention that it is the “Magnetic Stone of Abraham.” The ancient sages describe this special stone -vessel as the פיטרא ‘*Petere*’ vessel, a פטירה ‘*Petire*’ or pure vessel free from admixture<sup>1</sup> the unleavened vessel, unleavened bread<sup>2</sup> where there is a departure from the world and death.<sup>3</sup> The sages define ‘*Petere*’ as a break through, the release to either marriage or to a divorce, the declaration of acquittal, through its ritual, to declare free from punishment.<sup>4</sup> The Hebrew word ‘Peter’ also means as the pure grape juice vessel where its holder is the interpreter of dreams and visions.<sup>5</sup> The Peter dish is bowl shaped<sup>6</sup> and the sages link both spellings as variables of the same ‘Peter’ bowl<sup>7</sup> with the ‘Beter’ meaning the pieces of the Abrahamic Covenant meal offerings.<sup>8</sup> The Hebrew “Peter” holds the keys of the Kingdom of Heaven’s healing program. Yet, There is a play on words however, the pronunciation in another way would mean those that spurn and discard their portion of blessings of the ‘*HaPtreh*’<sup>9</sup> pronounced widely today as the prophets or ‘*Haftorah*.’ Today there are those that have historically spurned through derision, the Hebrew prophets, the Hebrew covenant meal, the Hebrew white stone-vessel.

According to history recorded in the Sacred Scriptures, there was a revolt of the people identified as ‘*Edomites*’ from the protective dominion of Judah and they made themselves their own king and subsequently commenced to the practice of idolatry.<sup>10</sup> The Edomite people are the descendants of Esau which later became identified with Rome. The key to understanding their revolt is also that the people departed from the important clue of a held in the hand white stone vessel.<sup>11</sup> The prophet Elijah wrote the m a letter to these ancient Edomites with judgment that illnesses and incurable diseases would befall them for their rejection of the covenant instructions.<sup>12</sup> These that have spurned and rejected the instructions have historically twisted the authentic meanings into what the Edom-Rome ecclesia determines. This same power that spurned the covenants of the Hebrew patriarchs boasts of its Keys of their Kingdom, the *Ju-Peter* elements which are widely depicted in Vatican art having skeleton keys wrapped with a scarlet cord, an egg shaped hat with a triple tiara of gems and jewels, an ostentatious presentation of the pagan elements. The black statue of *Ju-Peter* where religious seek favor of its toes has physically lost its toes from the millions of pilgrims touching its feet. The power struggle of the Vatican and the so called “West” is through its control of the economy and of

religious practices. The religious practices of the Edom - Roman system is its blemished fermented wine Mass and its rice wafer 'host' sacrifices.

The authentic Peter, the pure grape juice and unleavened bread vessel, is the key of the kingdom of Heaven and the Holy Grail confirms the powerful foundation of this Abraham stone-vessel. The prophet Daniel declares that the stone -vessel will be aimed at the toes of idolatry, thus this message indeed does step on toes in telling the truth. The Covenant of David's throne is given to the faithful seed as an authentic royal descendant of the family of King David that will establish the faithful witness of the moon.<sup>13</sup> The sages confirm that the meaning the hidden manna is the declaration of the New Moons upon the sighting of the sliver harvest sickle of the moon. The distinct Hebrew trait of marking the moon in this manner is distinct from the Edom -Rome pattern of the moon in conjunction or entirely without light. The promise of Heaven sent light to the descendants of King David to show to the world is good news! The revelation of the white -stone vessel upon which is the hidden manna and a new name upon it<sup>14</sup> is the Urim and the Thummim.<sup>15</sup> The Light of the Urim and Thummim that shines forth is through the faithful application of the covenant instructions of the prophet Moses. The magnetic stone of Abraham being the Holy Grail is because it is the Hebrew Peter that upholds the pure covenant meal of peace. The Nazarite crown<sup>16</sup> of royalty of the House of David is fully established upon abstemiousness from alcohol and other strong drinks or substances.

The Covenant bowl of the ancient wilderness sanctuary is a brilliant ingenious design of art. Each direction it is examined has layers upon layers of either art or Paleo -Hebrew written messages declaring the principles of the entire Sacred Scriptures. One element of the Abraham Magnetic stone-vessel that has been determined is the principle of agriculture planting using bio-electric earth energy to give seeds and plants the necessary 'spark' of energy to keep its soil and atmosphere warmer, to enhance its health in resistance of disease, and to enhance the production of high Brix fruits. The establishing of a healthier people having longevity would be through the implementation of these principles in gardens, orchards and vineyards. What elements have been identified with this ancient bronze-age covenant white stone-vessel of Abraham?

The principles of energy require iron and copper in certain percentages to give a spark. What kind of detectable energy would be expected? The earliest analysis of this bronze -age cemented stone -vessel revealed "The Doppler-effect" where the photograph captured alternating blue and red light energy from the core and foundation of the vessel. The pattern of this energy indicates the bronze-age vessel's "tube of energy." The sages mention the white stone -vessel of Abraham in which to build and establish the world.<sup>17</sup> The 'Ephod' has many descriptive terms which have largely been confusing with the

typical Edomite depiction of the flat plate that the Edom-Rome Pontiff occasionally wears. The Hebrew Ephod means the cemented ‘cli’ stone-vessel,<sup>18</sup> a golden-scarlet Paleo-Hebrew lettered trellis and crown design with its darkened purple mountain range having been accurately drawn by its artist. The brilliant design of its Mount Sinai and Horeb mountain range was using compass directions placing landmarks upon the Covenant earthen vessel, an un-hewn rough cemented golden-scarlet lettered pottery bowl.<sup>19</sup>

The Hebrew Ephod, the white stone -vessel of Abraham, the Holy Grail was received within an elaborately wrapped in a red scarlet mantle, the color of Elijah’s fiery ‘*adar*’ mantle.<sup>20</sup> Historically within the record of the Sacred Scriptures, this red mantle establishes the prophetic role of its recipient such as Elijah’s mantle given to Elisha was with a double portion.<sup>21</sup> The sign within the Heavens confirming the stone -vessel with its fiery red mantle is the constellation of Aquarius, the so called Eye of GOD or Helix nebula. The outer shell of red fire illustrates the royal mantles used worldwide for the royal families. This sign in the sky, where the Helix nebula’s central blue sapphire fire illustrates a purifying fire. The Judaic sages related that this significant blue fire of “where Elijah passes by, the stones turn sapphire.”<sup>22</sup> The sages have documented that the prophet Elijah slept next to this stone -vessel and was the custodian of it. The sages have declared that Elijah will return with this specific sign of the white stone -vessel of Manna.<sup>23</sup> The translating of manna מַנָּה is the fixing of the date of the new month is confirmed by the tiny crescent sliver harvest moon within the stone-vessel’s foundation. The “white stone-vessel of hidden manna with a hidden name which no one knows except he who has it”<sup>24</sup> confirms the ‘*Tzintzinet*’ an earthen basket shaped vessel of Aaron’s manna.<sup>25</sup> The significance of seeking to know this important message is the sign of the darkened banner of *Khorasan*<sup>26</sup> or the cemented stone -vessel with its crescent moon. The mantle of prophecy is a double portion for those that have received Elijah’s scarlet mantle.<sup>27</sup> These prophetic words given to each of the communities of faith has been fulfilled.

The Hebrew’s Holy Grail vessel is contrastingly different than the typical and prominently published Edomite-Rome’s flat plate Ephod of 12 polished stones that many of the recent Papal Pontiff’s have been photographed wearing. The powers of the ecclesia of Rome have consistently displayed the traits of their famous patriarch, Esau. Many of the pontiffs boast of their ‘Jewish’ family lineage. Yet, their bloodlines are of Esau thus the cruel traits of animal cruelty, dominion power conquest and of course, the

*Ju-Peter* struggle. There are distinct differences between the traits of Edom -Rome and its historical despising of the ancient Hebrew Covenants.

The source of the apostasy is revealed in the prophecy of Daniel 7:25: “And he shall speak words against the Most High God and shall wear out the saints of the Most High God and think to change the times of sacred feasts and holy days and the law; and the saints shall be given into his hand for a time, two times, and half a time (3 1/2 years).” Amplified text. That’s right, it was prophesied that G OD’s Holy Convocations would be changed. What do the Sacred Sc riptures say about this counterfeit lying power? “..His heart shall be against the Holy Covenant; and he shall do exploits, and return to his own land. ...therefore he shall be grieved, and return, and have indignation against the Holy Covenant: so shall he do; he shall even return and have intelligence with them that forsake the Holy Covenant. And arms shall stand on his part, and they shall pollute the Sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate. And they that understand among the people shall instruct many...”<sup>28</sup> The Hebrew/Aramaic word for abomination means: ‘a detested thing, filth, unclean food of idols, *idolatrous practices*, a detested thing causing horror, ceremonially unclean, the creatures forbidden as food: water animals without fins or scales, birds of prey, winged creeping things, creeping vermin.’<sup>29</sup> The Hebrew/Aramaic word for ‘have intelligence’ to discern, become separate, perceive with senses, observe, mark, give heed to, distinguish, space between two objects, between the eyes, hands, to make understanding and to teach.<sup>30</sup> The enemy has made it clear that he is the devil, the liar and counterfeit power of all religious observances today. Questions that arise in the readers would be what power has taken away the cup of blessing to be held up as a wafer god in their services of the ‘transubstantiation,’ then denying the individual to participate in the daily sacrifice including the pure grape juice? What religious power has taken away the calendar of the Hebrews and enforced its pagan idolatry? The answers are published in their books with the ‘*imprimatur*’ or full approval of the leader in the Douay’s Catechism. The system of Edom -Rome has forsaken the covenant of t heir Creator.

The Ephod is the white stone-vessel, the legendary Holy Grail and is the High Priest’s Urim and the Thummim having historical access of direct communication to the Creator of the Universe. The prophet Samuel used this white stone -vessel named stone-vessel of help or “Eben-Ezer”<sup>31</sup> for the nation’s protection against evil and the establishment of peace was consistent.<sup>32</sup> The use of the Urim and the Thummim as established in the Sacred Scriptures is where the anointed individual in his sacred role, seeks the perfect will of the Creator. The instances where the young David sought out the Ephod of the High Priest and asked direct questions to Almighty GOD, these were directly answered in the directions that they must take.<sup>33</sup> The knowledge of the futur e was given from

Almighty GOD to the prayerful holder of this Ephod, the Holy Grail of the Sanctuary. The prophet Elijah directly inquired of the WORD of Almighty GOD and this was well known by the leaders of the people.<sup>34</sup>

The prophets declare that “the Covenant of the House of David is forever” and the important prophetic role for the descendant of the House of David, a regal prince, having the bloodline of the promise. “Of the increase of his government and peace there shall be no end, upon the throne of David and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even forever. The Zeal of the LORD of hosts will perform this.”<sup>35</sup> The land of this kingdom shall have one king over all, the long awaited crown royal son, a prophet with Elijah’s mantle establishing a covenant of peace for all: “And David my servant shall be king over them; ...their descendants children and their children forever, and my servant David shall be their prince forever. Moreover I will make a covenant of peace with them; it shall be an everlasting covenant with them: ...setting my sanctuary in the midst of them forevermore. My tabernacle also shall be with them: yea, I will be their GOD and they shall be my people.”<sup>36</sup> One might wonder how the kingship will be established.

The tragic history of the land of the royal sons of David departed from the instructions of the laws of Almighty GOD is that the prophet Hosea declared: “For the children of Israel shall abide many days without a king, and without a prince, and without a sacrifice and without a sacred altar of Moses, a stone -vessel memorial, without an ephod cemented stone-vessel, and *teraphim* deed of ownership. Afterward shall the children of Israel return and seek the LORD their GOD and David their king; and shall reverence the LORD and his goodness in the latter days.”<sup>37</sup> Because the legitimate crown royal is now appearing with the ephod, the stone -vessel altar of Moses, the memorial of the Exodus, shall another be chosen of the prophets in the latter days? No.

The sign satisfying all of the prophets is established of a Hebrew with a heart to truly love all of the sons of Abraham equally. The Elijah cries out ‘Remember the law of Moses my servant which I commanded unto him in Horeb for all healthy believers<sup>38</sup> with the statutes and judgments.’<sup>39</sup> Who are the messengers of Almighty GOD? “He will magnify the law, and make it honourable.”<sup>40</sup> The stone-vessel Ephod’s scepter-sword-crown-throne of the kingdom of David is extended in peace. The Hebrew’s Holy Grail Ephod vessel is under the guardianship of The Kohen Gadol, where the crowned royal is quietly hidden; yet this crowned royal is King of the Kingdom of Jerusalem and its territories worldwide. Will the sons of Abraham listen to the call for worship, to come to the Hebrew’s *Peter* of the Covenant meal of Abraham for the royal wedding feast? Will the sons of Abraham listen to the royal messenger, a prophet who has the Hebrew *Urim & Thummim* stone-vessel of Divine Revelation? The witnesses of the Sacred lights

around the crown prince and his wife are additional confirmations. When the prophet Elijah departed from Elisha, the translators tell us in their version that the fiery chariot of horses arrived to take Elijah to Heaven. Was this an accurate record of the event? The Hebrew word רכב 'Rakab' means an upper millstone, and as well, the rider and vehicle of riding. This Semitic word is interchanged with the Arabic word ركب 'rakab' meaning a mounted horse rider.<sup>41</sup> The Arabic word 'rakab' also means to commit, to master, to pursue.<sup>42</sup> Because the evidence demonstrates that Elijah was sent to Heaven with the אבן 'abn' the upper millstone,<sup>43</sup> pottery vessel of the Exodus, and the sages state that he returns with this special 'abn' vessel of manna, Thus the 'rakab,' the witness of the final Hazrat Mahdi coming riding upon a horse is really meaning the royal messenger coming with the mastered committed purpose of Ephod stone -vessel. Within the fitting together description of all of the prophets , understanding can be mastered if one will pursue it.

Saying this very clearly, the importance of the royal messenger having the Ephod, the historical direct line to Heaven to communicate and have direct answers for establishing true peace should not be overlooked. The prophet Daniel directly declares that the stone -vessel will establish the royal kingdoms and likewise will remove the idolaters. The final Elijah messenger having the willingness to commit, master and pursue the life of a spiritual leader, a rightly guided leader, to the national leaders of this world during the most difficult period of history is Heaven's blessing. Restoring the original intent of the Hebrew language where the 'Peter' indicates specific ceremonies of healing, the 'Peter' ceremonies of pure grape juice and pure unleavened bread is the gift that remains simple yet powerful. Because the revealed evidence of the Ephod stone -vessel clearly is timed for the destruction of evil and certainly would not be popular with the secular idolaters. Yet the Host of Heaven has decreed the Hour of Judgment has come to this earth. The Elijah with the stone-vessel of manna credentials steps forth with purpose and issues forth the instructions for this final generation. Will the righteous national leaders of this world be wise men and gracefully receive the royal Heaven sent messenger? Will the leaders be willing to commit, master and pursue the necessary spiritual path and listen to truth?
